

coast summer volleyball league 2017

*THIS FORM IS FOR INCOMING FRESHMAN! If you are an incoming sophomore – senior, please contact your coach for the correct form. WHAT IS IT? Coast Summer League is a chance for girls that will be attending the same high school and trying out for the volleyball program to play together and prepare for the upcoming season. THIS IS NOT A CAMP. Girls are placed on teams (based on position) by the directors of the summer league. Play is monitored by summer league directors and officials to ensure all girls are getting playing time, but coaches are not allowed to coach teams, as per UIL restrictions. High school coaches often are in attendance to watch their incoming freshman play, but participating does not guarantee placement on any particular school team.

WHEN IS IT? Dates for freshman are: July 10, 12, 14, 18 and 20. Match times are 6, 7, and 8 PM.

Each team will play two matches and referee one match per night (line judge and keep score- a referee is provided).
